CONVERSATION WITH GIBBONS:

1. Lovell has not heard anything from Gibbons.
2. Lovell reported that Charles and George Marck were about to kill the Schwab activity at Patrick as "un-American". Is it necessary to take action at a high place?
3. Lovell knew of Frank R. Olson. No inhibitions. Baring of inner man. Suicidal tendencies. Offensive usefulness? HMC told Shaf Edwards Saturday AM, the 12th.
